42 x 1½" x 6½"

This is an easy quilt to make so it is a good pattern if you are new to patchwork. You are working with 4 strips and a square for each block

If you would like you could add a lot more colours to the quilt and you may like to make it bigger too

## **MAKING UP THE BLOCKS**

For this quilt, you have two blocks

### **BLOCK A**

### **BLOCK B**

21 of each colour way, so in total you will sew 42 blocks

Stitch a strip to each side of the square and then to the top and bottom

Lay out all the blocks as in the main diagram

Sew in rows and then sew the rows together to make the quilt top

## **COMPLETION**

Sandwich quilt top, wadding and backing. Pin or baste layers

Quilt as desired

Double bind edges with 2½" from left over fabric
